TITLE	SUITABLE FOR	LENGTH (MIN.) + © YEAR	DESCRIPTION
ADA Lift Testing (Promotional video on wheel chair lifts)	Administrators, drivers	11:54 – 1993	Braun Corporation sales video demonstrating wheel chair lifts mounted in vehicles. (Galt Studios, Pro Video)
Advanced Techniques for Special Ed Bus Driving Safety (Special Needs)	Drivers, special needs drivers, bus aides	19:00 – 1999	Follows actual examples of how bus drivers interact with students and meet the demands of safely transporting students from home to school. Key points: response to seizure, blood borne pathogen clean up, efficient loading/unloading techniques. (Coastal Training Technologies Corp.)
And Then It Happened	Drivers,	24:00 – 1972	Shows how students' unruly conduct can be a factor in an accident. (Seven Oaks Starbecker Productions)
Are You Reading Me?	Any driver	08:33 – 1970s	Good information about traffic signs, signals and markings. Age of video doesn't impact information. (AAA Foundation for Traffic Safety)
Assertive Discipline for Bus Drivers (single video)	Drivers	30:00 – 1987	How to Be the Boss on the Bus. Same as Part 1 video in the 2-part series with workbook. (Canter & Associates Inc./Permanent Press)
Assertive Discipline for Bus Drivers (large video case with 2 videos and workbook)	Drivers	2 videos 1987 30:00 & 20:00	Step-by-step approach for managing student behavior on the school bus. (Canter and Associates Inc.)
Attitude Factor see also: School Bus Driver: Positively in Control	Drivers	24:00 - 1971	An examination of bus driver attitudes and how they affect driver performance. (Parker Productions)
BESI, Inc. CD ROM	Drivers, bus aides, School Administrators	05:45 – 2004 CD ROM	Demonstrates through videos how to attach a securement vest to a young child and install it into the seat harness; how to install the over the shoulder harness using an existing lap belt; gives information about BESI, Inc.'s nearly 30 years of providing quality safety harnesses and seat covers. (Quite easy to learn and simple to install.) (BESI, Inc.)
Brilliance of Common Sense, The	School administrators, drivers	24:00, 12:00 or 4:00 (3 versions, 3 different lengths)- 2003	International Corporation personnel listen to customer input, evaluates driver tasks and movements, then, analyzes and designs new buses accordingly. Re-designed windshield, doors, windows, hood, driver compartment and many other areas are covered in the 2 long versions of video. (International Corporation)
Bloodborne Pathogens for School Bus Drivers: The Route to Safety	Drivers, bus aides	20:00 - 1998	Helps to ensure that bus drivers understand standard precautions that can prevent the spread of blood borne diseases. (Coastal Training Technologies Corp.)

TITLE	SUITABLE FOR	LENGTH (MIN.) + © YEAR	DESCRIPTION
Coaching the School Bus Driver	Drivers	1987	First 22 minutes called More than a Job are worth viewing for 1 st time drivers, even though video has very poor quality in some spots, because it shows a real “day in the life” of a few school bus drivers. Rest of information—Pre-trip planning, city & highway driving etc. —can be viewed in other, better quality videos. (FLI Learning Systems Inc.)
Cure for Conflict	Drivers, bus aides	31:00 - 1974	3 part video. Student management on the bus. Drivers & supervisors need good communication and leadership qualities. (Viscom Prod.)
Death Zones see also: School Bus Passenger Around the Bus see also: School Bus Safety-Bus Stops & Danger Zones see also: The Moment of Truth	Drivers	21:00 - 1975	Hazards of unloading and loading areas around perimeter of school bus. Will enable children and drivers to better understand the consequences of their actions. Also provides insight into child behavior. (Seven Oaks Productions)
Defensive Driving for School Bus Drivers	Drivers, bus aides, administrators	14:00 – 2001	The 3 ‘A’s: Attitude, Awareness & Action make the difference. Positive attitude, focused on the job + being prepared for any emergency +driving smart and safely = defensive driving. Good info & good reminder for veteran drivers. (Coastal Training Technologies)
Diamondlife Disc Brakes (Promotional video)	Mechanics, drivers	45:50 - 2002	Covers brake system components, inspections, service procedures, special tools, caliper diagnostic and rebuilding. (International Truck and Engine Corp.)
Driving in Bad Weather	Drivers	08:00 – 1994	Newscast-style presentation dramatizes the blinding effects of fog, dust, smoke, rain, snow and ice. Stresses driving speeds based on conditions and when it’s best to get off the road. Includes vehicle maintenance tips. (Pupil Transportation Safety Institute)
Emergency Evacuation	Drivers, bus aides	13:49 – 1989	Theme: it’s not how fast, it’s how safe. Explains evacuation procedures and choosing student assistants. (AMS Distributors)
Emergency Evacuation Procedures (from <u>buildings</u> , <u>not</u> school buses)	Adults, older students	09:00 – 1998	Shows what can happen when the evacuation plan isn’t taken seriously. Buildings are destroyed, people are injured and killed. (Bureau of Business Practice)
EVAC – Ramp (Promotional video)	Drivers, administrators	05:00	Accordion-style folding ramp used for evacuating wheelchair-bound students or the elderly or for doing a bus-to-bus transfer. (Best Diversified Products, Inc.)
